

4th Valediction Ceremony
MANAGE Sponsored Agri-Clinics & Agri-Business Centre (ACABC)
Centre for Advanced Research & Development, Bhopal

The valediction ceremony of the Batch IV (June- August) of Manage sponsored scheme for developing successful agriculture entrepreneurs was held on 26 August 2017 at CARD's Bhopal Nodal Training Institute (NTI). DPRs were prepared individually by the trainees on different agri-ventures by working on the proposals in the last two weeks of the training by discussions with the subject matter experts (Dairy, Poultry, Goatry, Poly house, Mushroom production, Agri Business & Clinic, etc) on the feasibility and success rates of these agri-ventures. The proposals were then finalized with the bank official during the last 2 days of the training programme. The final success of the scheme will follow after approval of business plans and sanctioning of the loan to individuals or joint ventures.

Post completion of the 60 days training, valediction ceremony was held at CARD head-office in Bhopal. Dr. MS Parihar, Principal Scientist, RAK Agricultural College, Sehore gave encouraging speech to the trainees. Dr. Manoj Bharadwaj (Asst. Director, State Veterinary Hospital) also encouraged the students and stated them to go and start the project at a small level without waiting for the bank sanction, as this would give them hands on experience. Both wished them success on establishing new ventures. Dr. Vivek Sharma, CARD Chief Functionary ensured the students for providing continuous support. CARD will extend support to its MANAGE-ACABC trainees whenever required and may as well establish linkages with them in future.

Mr. Manoj Banwari, Mr. Lalchand Yadav, Mr. Manoj Mishra, Mr. Shivraj Singh Rajput, Mr. DD Natekar and Ms. Swati Sharma from CARD were present on the occasion. Certificate distribution was done, followed by farewell lunch. CARD wished all the MANAGE-ACABC training participants good luck for bright future perspectives ahead.
